JAN SUNWAYI ON S.I.R, 50+ STORIES, A COMMUNITY EFFORT

Around 250 people were present at the event who came from villages, slums, and several other organizations. 38 people participated in the event from our intervening areas. They put their issues forward, like not having documents of their father and mother and even the 11 documents listed by the ECI. This program was organized by Samar Charitable Trust, NAPM, Kosi Nav Nirman Manch, Bharat Jodo Abhiyan, and Jan Jagran Shakti Sangathan.

The idea behind the training is to upgrade the skills of the members working in the community. This will help the organization in the longer run.
